

AVAHO 2022 Summary

September 16-18, 2022

Marriott Marquis San Diego & Marina

I want to thank the AVAHO Executive team and Program Committee for such an amazing meeting this past September in San Diego! I can't say the last time I enjoyed a meeting so much; I'm sure it was a combination of being locked up the past three years and not getting to shake a hand or hug a friend, the location, and the amazing program delivered! And of course.....The USS Midway reception. Attendance was a record, as you can see by the breakdown below. Thanks to our sponsors and members!

REGISTRATION

In-Person	787
Virtual	43
*New members	43
TOTAL	830

REGISTRATION

Speakers	80
Members	297
• New Members	42

Gold	4	• New Companies	11
Silver	8	• Multiple booths	3
Bronze	30		
Virtual	2		
Partners	1		
Nonprofit	2		
TOTAL	55		

As you can see, the organization was well represented with a wide variety of disciplines and expertise to offer. Our industry support continues to grow and expand, and we all have the SAME mission to provide the BEST cancer care to our Veterans. Please, if you know folks at your facilities that are not a member ask them to consider and share your AVAHO experiences with them. We have some disciplines that are severely under-represented, so we need your help in identifying those potential future members.

Rusty Crawford, B Pharm (ret.)
AVAHO President 2017-18
AVAHO Education Committee Co-chair
